Issue Date: July 13, 2005

To: ALL COUNTY WELFARE DIRECTORS

SUBJECT: COUNTY MEDICAL SERVICES PROGRAM (CMSP)  
FORMS

CMSP All County Letter 05-05 dated June 28, 2005 referenced the fact that in anticipation of the transfer of administration of the County Medical Services Program to BC Life (Blue Cross) that the DHS CMSP unit was dissolved on June 30, 2005.

The CMSP Governing Board staff have assumed the responsibility for the development and revision of CMSP forms effective July 1, 2005. Due to the transfer of administration and regulation changes a number of forms will require revision in the future.

Effective immediately Counties are responsible for reproduction of all CMSP forms using PDF copies that have been or will be provided. The Governing Board will not be providing copies of CMSP forms.

Counties are instructed to use existing forms until they receive notification of a revision of the form. Notification of a revision or development of forms will be transmitted via an All County Letter (ACL) and at that time Counties will utilize their standard letterhead when using a form letter.

If you have any questions regarding this notification, please contact Ms. Anna Bedrina, in the CMSP Unit, at (916) 649-2631 ext 20.

Sincerely,

Lee D. Kemper
